

A diagram showing a horizontal rectangular box divided into two sections. The left section is dark gray and contains the text 'bandwidth usage'. The right section is light gray and contains the text 'Aggregate bandwidth (N\*b)'. A vertical dashed blue line separates the two sections. Below the left section is the label 'P\_min' in blue, and below the right section is the label 'P\_max' in orange.

bandwidth  
usage

$P_{\min}$

Aggregate  
bandwidth  
( $N \cdot b$ )

$P_{\max}$
